Please, if you can spare 2-5 cents, it will go directly to the needier instead of your own pocket! How to get a saving token & how to redeem it: 1. Go to [www.globalgiving.org/saving](http://www.globalgiving.org/saving) 2. Select saving option (I have 4 options none of which is "money". I have: cheque/ bank draft, PayPal, Money Order or Bacs) 3. You need to sign in on the top right corner (you will need your donation reference number & email address). 4. Enter your reference number in the "Rethink your gift" section (only if you're having trouble getting the saving token on your first try). 5. Once you have your saving token, you need to take a picture of your receipt (again, only if you had trouble getting the saving token on your first try). 6. Enter the amount you want to donate in the "Amount you want to donate" section. 7. Click on the "I want to donate" button. 8. Finally, the money will be deducted from your account. 9. Now, when you redeem your money, use your reference number, your email address, the date of donation & your message. Thank you for your time. published:16 Mar 2018 views:16626 Now you can get more of the money you've been giving to charity in your PayPal account. published:16 Nov 2012 views:256 This video shows the Demat Account opening and fund transfer. Here you have to open a Demat account and fund the same to your SIP (Systematic Investment Plan) account. The minimum investment is only 100 and only 1 time in a week. The maximum investment in a week is 3 times of the minimum. This is a simplified explanation in a basic language.
